

# Community Survey

September 9, 2024

Hello Valued Resident,

We would appreciate you taking the time to answer a few survey questions to help make improvements within our Village.

1. Do you think the Village should develop a Community Garden?

Please check one answer: ☐ YES ☐ NO

2. Do you currently use curbside recycling services?

Please check one answer: ☐ YES ☐ NO

3. Would you utilize a Recycling Depot to drop-off all your recyclables instead of having them picked up curbside? Having a self-serve drop off depot would result in cost savings to all residents and allow for drop-offs to happen whenever needed.

Please check one answer: ☐ YES ☐ NO

4. Would you support changing garbage pick up to twice per month?

Please check one answer: ☐ YES ☐ NO ☐ Only during winter months

**Please submit your response on or before October 1, 2024**
