WASTE DISPOSAL

When cleaning your yards and disposing of pet feces, please ensure you are using heavy duty garbage bags and double bagging as needed.

Please ensure any garbage you dispose of is less than 50lbs.

If bags rip open, our crew may need to leave them and we would ask that you kindly bag the items again ensuring the bags are not too heavy and put them out for pick up next week.

We appreciate everyone's assistance with the above matters.

Public Works does curbside Garbage Collection in the Village every Wednesday. Please note if you have mattresses, bedframes, microwaves, appliances and/or large items you will need to take these items directly to the dump.
